Standard Electrical Service

208/115 Volt A.C. single phase or three phase
 480/277 Volt A.C. single phase or three phase
 480 Volt A.C. single phase available

Conditions and Regulations:

1. Wall, column and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.
2. All equipment, regardless of source of power, must comply with national, state, and local safety codes.
3. Claims will not be considered unless filed by the exhibitor before the close of the exhibition.
4. Prices are based on current wage rates and are subject to change without notice.
5. Under no circumstances shall anyone other than Rock USA technician make any electrical connections.
6. Special equipment requiring company engineer or technician for assembling, servicing, preparatory work and operation may be executed without a Rock USA technician. However, all service connections and overload protection to such equipment must be made by the Rock USA technician
7. All equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.
8. All material and equipment furnished by Rock USA for this service order shall remain Rock USA's property and is not to be removed by anyone other than a Rock USA technician at the close of the event.
9. All exhibitors' cords must be the three-wire ground types. All exposed non-current carrying metal parts of fixed equipment, which are liable to be energized shall be grounded.
10. Rates quoted for all connections cover only the bringing of the service to the booth in the most convenient manner. The rates do not include special connection equipment of special wiring.
11. Advance orders must be postmarked a minimum of 14 days before the first day of the event.
12. All fountains and pumps should have Ground Fault Interruption (G.F.I.) protection.
13. Vendor assumes complete risk and responsibility for any and all loss, theft, damage or injury to person or property including electric damage as event assumes no responsibility.
